RE: Kim Hopkins

Greetings,

Ms. Hopkins

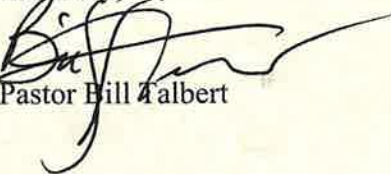

My prayer is that this letter of request finds you and the entire staff at the City of Vicksburg, well and having a great day.

We are requesting permission to use the Washington Street Park for a Community Service in conjunction with our church and congregation at Solid Rock Church. Our purpose is to continue to find ways to bless our community with faith and hope in these times of cultural and spiritual shifts.

The anticipated date is Sunday October, 12, 2025. We would like to have permission to use the park for our regularly scheduled service at 10:30 AM and would anticipate being there to set up at 9 AM and would take extra care to see that it will be left in clean condition and that there is no litter, etc. left behind.

We further anticipate that any fee levied would be provided as well. Thank you and look forward to hearing from you soon.

Cordially,

  
Pastor Bill Talbert
