On behalf of Haven House Family Shelter, I am requesting the appropriation of funds, in the amount of \$25,000, designated for Haven House Family Shelter for the current fiscal year.

Your support enables us to provide a safe refuge for victims of domestic violence and their children. Haven House also provides outreach services for those who may not need shelter and a prevention program to help our youth and adults recognize the warning signs of an unhealthy relationship. As a community, it is important to work together to help break the cycle of abuse. Your support makes that possible.

Once again, we are deeply grateful for your continued monetary and voiced support to domestic violence survivors and their children.

Sincerely,

Theresa Brooks
