Dear Mr. Thompson

On behalf of YFAA, The Vicksburg Buccaneers, a nonprofit youth football and cheer program serving children ages 5-13 in our community, we are reaching out to invite you to partner with us for our upcoming season. Our mission is to provide a safe, structured, and positive environment where young athletes can build confidence, learn teamwork, and grow both on and off the field.

As we enter into our second year serving the youth of our community, we strive to keep registration fees affordable so every child has the opportunity to participate, regardless of financial circumstance. As costs continue to rise for equipment, uniforms, field rentals, insurance, and training, support from our local leaders and community partners like you helps make our program possible.

We are asking local government, businesses and organizations to consider becoming a 2026 Season Sponsor. Your sponsorship will directly support our football players and cheer athletes by helping cover essential expenses and providing scholarships for families in need.

We also welcome in-kind donations, including sports equipment, water, snacks, printing services, or other items that support our athletes.

As a sponsor, your entity will be featured throughout the season, reaching hundreds of families and local supporters. More importantly, you will help create a meaningful, lasting impact for the youth in our community.

Thank you for considering this opportunity to support our young athletes. We would love to discuss sponsorship options or answer any questions you may have. You can reach us at 601-529-7788 or email at yfaa.director@gmail.com.

We appreciate your time and hope to partner with you this season!

Regards,

Christie Pizzio
