To The Board of Mayor and Alderman's:

I am writing this letter, first and foremost, to thank the Board of Mayor and Alderman's for granting Elevate Church permission to use American Field and Babe Ruth Field at Halls Ferry Park last year for our community wide egg hunt. It was a huge success with over 500 members of the community in attendance and over 24,000 eggs! It is always amazing to watch how fast the children collect all those eggs!

Every year, our church tries to provide an opportunity for children in our community to come and hunt Easter eggs. We send enough invitations to each of the public elementary schools in our county, so that each child, and their family, is able to know there is an event in our city designed specifically for them. The children who come are not only able to participate in an egg hunt; they are also able to enjoy a craft and snack.

This is a free event offered by Elevate Church to the community and it seems to draw larger attendance numbers every year. It is because we are anticipating an even larger crowd this year that we are once again requesting the use of American Field and Babe Ruth Field, as well as the surrounding area at Halls Ferry Park for this year's community wide egg hunt. The event will be held on Saturday, April 4. Our team will arrive around 8:30 am to make preparations for those who will be participating in the event. The event will start at 10am and last until 11am. If there are any questions about the event that you might have, I'd be more than happy to answer them to the best of my ability. I can be reached at Robert@elevatechurch.ms or you can call me directly at 601-415-4040.
