

12/4/2025

Mayor Thompson  
Alderman Mayfield  
Alderwoman Bailey  
Chief of Police Burns  
Fire Chief Martin  
Sheriff Pace

On behalf of Vicksburg Main Street and the Vicksburg Convention & Visitors Bureau, as required by the Sky Elements Drone Show provider, we would like to respectfully request the temporary closure of Levee Street, from The Depot to Clay Street, on Wednesday, December 31, 2025, from 7:00 PM until 12:00 AM.

As part of Vicksburg's Bicentennial celebration, a New Year's Eve Drone Show is scheduled for 10:00 PM. This event is expected to draw a large number of spectators to downtown and the riverfront area. To ensure the highest level of public safety, restricting vehicle access along this section of Levee Street is essential. Doing so will create a safe, controlled viewing area for spectators, reduce the potential of pedestrian-vehicle risks, maintain clear access for emergency personnel, and provide adequate space for the large crowds anticipated during the drone show.

This Bicentennial event is a significant celebration for our community, and ensuring the safety of our downtown residents and visitors is our top priority. We appreciate the continued support and cooperation of the City of Vicksburg and the Vicksburg Police Department in making these events successful.

Attached is the map provided by the drone show company to assist with your review of the request.

Sincerely,  
Vicksburg Main Street Program  
Vicksburg Convention & Visitors Bureau
