In accordance with the City of Vicksburg Ordinance, streets that will be considered for speed hump installation must meet the criteria found below:

- ✓(a) The street or road must be classified as a public road.
- ✓(b) The street or road must be residential in nature serving local residents.
- ✓(c) The street or road must have minimal truck and transit traffic with a volume being more than 100 vehicles per day but less than 3,000 vehicles per day.
- ✓(d) The street or road must be paved and have a speed limit of thirty (30) mph or less.
- ✓(e) The street or road must only have two travel lanes.
- ✓(f) Speed humps will not be used on streets or roads that fire or emergency service vehicles use as primary routes.
- ✓(g) The street or road must be within city limits.

#### PART 4: SPEED HUMP REQUEST PROCEDURES

The following procedures shall be used to evaluate and approve speed hump requests in Vicksburg.

1. Speed Hump Requests are received by the City Clerk's Office.
2. Applicant shall circulate a neighborhood speed hump support petition and shall provide documented evidence of community support for the installation of speed humps. Petition must document a minimum of seventy-five percent of the properties within the boundary area in support of the installation of the speed hump.
3. Public Works Department shall conduct a traffic study to determine if the street meets the requirements for speed humps based on the criteria set forth in the City of Vicksburg Speed Hump Ordinance.
4. If the street meets all criteria, request will be routed to Board of Mayor and Aldermen for approval.
5. Once approved by the Board of Mayor and Aldermen, the Public Works Department will develop construction and begin installation of the speed humps based on their work schedule and project load.

**PART 5: PETITION SUPPORTING THE INSTALLATION OF SPEED HUMPS**

Please provide evidence of neighborhood support for the installation of speed humps. The form below can be used for this request. Evidence of support must be within the study area as identified in Part 2 of the request form. Additional copies of the petition page may be submitted as needed to secure the required number of signatures. The sponsor of the petition shall contact every resident of the abutting properties on the subject street. If a resident is in support of the petition, the word "YES" shall be noted in the "Indicate Support for Speed Hump" petition space. If a resident is against the speed humps, the word "NO" shall be noted in the "Indicate Support for Speed Hump" petition space. If the sponsor is unable to contact a resident, "No Contact" shall be noted in the "Indicate Support for Speed Hump" petition space with the days and times that contact was attempted. Sponsor must make at least two (2) attempts on separate days to contact a resident.

Please secure signatures from a minimum of 75% of the properties whose properties are adjacent in the boundary area indicated in Part 2 of the request form. To determine the number of signatures needed multiply the total number of properties in the boundary area by 0.75. Only one representative per property.
