

Evening Ms. Nickson, here is the information you requested to present to the Board of Mayor and Aldermen. We want to use the Washington Street Park on December 20, 2025 from 10 am to 3 pm for providing our Christmas Celebration and Gift giveaway to children whose parents are incarcerated in prison. We have partnered with the Prison Ministry to assist these families with children by providing gifts and boxes of food on this day to them. I have already checked with Kim Hopkins about the date and she said it will be okay. Please let me know what the board decision is on this matter. Thanks.
