MEMORANDUM

TO: Deborah Nickson

FROM: Paula Wright

DATE: July 7, 2025

RE: Application for City of Vicksburg Ad Valorem Tax Exemption

Please find attached an application for the City of Vicksburg Redevelopment District Ad Valorem Tax Exemption for Emily Elizabeth Adcock, located at 614 Hill Street (PPIN 19010). As you may remember, Mississippi Code Section 17-21-5 gives municipalities the authority to exempt from any or all municipal ad valorem taxes, excluding school taxes, for a period not to exceed seven (7) years, attributed to any redevelopment, renovations of and improvements to, commercial property, residential or multifamily housing projects lying within the city limits, but only if such commercial property, residential or multifamily housing projects shall have been renovated or improved to aesthetically enhance the exterior of the structure pursuant to the requirements. Pursuant to this legislative authority, the Mayor and Aldermen adopted Ordinance 2005-02, which sets out the procedures for granting such an exemption by the Mayor and Aldermen.

This application has been reviewed, and all required information is attached to this memorandum. I am requesting that you place this application on the agenda to be approved by the Mayor and Aldermen. The Mayor and Aldermen should determine that the work, as outlined in the application, meets one or more of the minimum thresholds for tax abatement eligibility. You will note that Emily Elizabeth Adcock's application indicates that the project investment will be \$60,000, and the project involves renovating the house at 614 Hill Street to be used as a rental property.

If the findings of the board meeting are as mentioned above, the Board will exempt from all municipal ad valorem taxes, excluding ad valorem taxes for school district purposes, for a period of three (3) years, for any new renovations of and improvements to the subject property.
