

To Whom It May Concern: My alias name
is Timothy M. Ross, Sr. I am coming before the city
in a Board Meeting because I am an Indigenous
person. I am of Royalty. The City just had a Court Case
concerning me and I was not aware of it. It is
ongoing. I have solved my own case, not to mention
what else they have done illegally and who is involved.
I am aware and I am going at everyone involved legally.
I have Civil, Federal and Constitutional Violations against the
Establishment. I know that the Mayor is the Police
Commissioner. I have proof of corruption against the V.P.D.
and the Warren County Sheriff. Go to Good Vibes Terot and
so back 1 year and you will see that the same thing
that they are doing now has already happened. It's
over. I need to go and see the Attorney General
immediately. Sincerely yours, Timothy M. Ross Sr.
