City of Vicksburg

Subject: Request for Use of Farmer Street Playground and Public Safety Support

Dear Mayor and Members of the Board,

On behalf of Broken Silence AVU, I respectfully request permission to use the Farmer Street Playground on **June 11, 2026, from 5:30 p.m. to 7:30 p.m.** for a community event focused on bringing families, youth, and residents together in a safe and positive environment.

To ensure the safety of all participants, we respectfully request assistance from the **Vicksburg Police Department** to temporarily block the street adjacent to the playground during the event. This measure will help provide a secure space for children and families attending.

Additionally, we respectfully request the presence of the **Vicksburg Fire Department** during the event, if available, to support public safety efforts and community engagement.

We would also be honored to have the following leaders and officials present at the event: **The Mayor of Vicksburg, Alderman Mayfield, Alderwoman Bailey, Chief Burns, and Deputy Chief Tommy Curtis.** Their presence and support would mean a great deal to our organization and the community we serve, and would help demonstrate the City's commitment to the safety, unity, and well-being of our residents.

Broken Silence AVU is committed to serving the citizens of Vicksburg through positive community programs and activities. We will comply with all city requirements and safety regulations associated with hosting this event.

Thank you for your consideration of this request. We appreciate the City of Vicksburg's support and partnership. Should you need any additional information, please contact me at **(601) 642-9558** or by email at **brokensilenceavu24@gmail.com**.

Respectfully,

Taquelia Pendleton
