Section 3.1. Lease. Subject to and conditioned upon the delivery of the Equipment by Contractor, Lessor hereby leases the Equipment to Lessee, and Lessee hereby leases the Equipment from Lessor and agrees to pay to Lessor the Rental Payments, all upon the terms and conditions set forth in this Lease.

Section 3.2. Possession and Enjoyment. The Lessor covenants and agrees that the Lessee, by keeping and performing the covenants and agreements herein contained, shall, at all times during the Lease Term, peaceably and quietly have, hold, and enjoy the Equipment.

Section 3.3. Lessor's Access to Equipment. Representatives of the Lessor shall, subject to reasonable security precautions, have the right to enter upon the property of Lessee during reasonable business hours (and in an emergency at all times) (i) to examine and inspect the Equipment, (ii) for any purpose connected with the rights or obligations of the Lessor under this Lease, including, but not limited to maintain and caring for same if Lessee fails to perform its obligations hereunder, or (iii) for all other lawful purposes.

ARTICLE IV

TERM OF LEASE

Section 4.1. Lease Term. Unless terminated as set forth herein, this Lease shall be in effect for the Lease Term, which shall not exceed **sixty (60) months**.

Section 4.2. Intent to Continue Lease Term; Appropriations; Current Expense.

(a) Lessee presently intends to continue this Lease for its entire Lease Term and to pay all Rental Payments. Lessee will include in its budget request for each Fiscal Year the Rental Payments to become due in such Fiscal Year, and will use all reasonable and lawful means at its disposal to secure the appropriation of money for such Fiscal Year sufficient to pay the Rental Payments coming due for such Fiscal Year. Lessee reasonably believes that moneys in an amount sufficient to make all such Rental Payments can and will lawfully be appropriated and made available for this purpose.

(b) The obligation of the Lessee to make Rental Payments under the Lease constitutes a binding obligation of the Lessee in accordance with the terms of this Lease. Provided, however, so long as no default of any monetary obligation of the Lessee has occurred, the Lessee's obligation to pay any amounts due or perform any covenants requiring or resulting in the expenditure of money shall be contingent and expressly limited to the extent of any specific, annual appropriation made by the Lessee to fund such Lease. Nothing contained in the Lease shall create any monetary obligation on the part of the Lessee beyond such current and specific appropriation. The Governing Body, in its sole discretion, may make said payments with any lawfully available revenues. Nothing in the Lease creates a lien of any kind or character whatsoever upon any funds, income or revenue now existing or hereafter held, collected, received, anticipated by, or available to the Governing Body or prevents or restricts the Governing Body at any time from pledging, obligating or creating specific liens upon funds, income or revenues to or for the payment of any bonds, note or certificates of the Governing Body or for any other purpose whatsoever. The Lessee has not pledged or levied any form of taxation for the payment of Rental Payments under this Lease.

(c) Lessor and Lessee agree that the intent of this Lease is that the obligations of Lessee under this Lease, including its obligation to pay the Rental Payments due with respect to

the Equipment, in any Fiscal Year for which this Lease is in effect, shall constitute a current expense of Lessee for such Fiscal Year and shall not constitute an indebtedness of Lessee within the meaning of the Constitution and laws of the State. Nothing herein shall constitute a pledge by Lessee for the benefit of Lessee of any taxes or other moneys in the annual budget of Lessee (or the proceeds or net proceeds of the Equipment) to the payment of any Rental Payment or other amount due hereunder.

Section 4.3. Termination Due to Non-Appropriation. In the sole event of Non-appropriation prior to an Event of Default, Lessee shall have the right to terminate this Lease, in whole, but not in part, at the end of any Fiscal Year of Lessee, in the manner and subject to the terms specified in this Section and Sections 4.4 and 4.6. Lessee may effect such termination by giving Lessor written notice of termination and by paying to Lessor all Rental Payments which are due through the date of such termination. Lessee shall endeavor to give Lessor not less than sixty (60) days prior written notice of termination and shall notify Lessor as soon as reasonably possible of any anticipated termination. In the event of termination of this Lease as provided in this Section, Lessee shall deliver possession of the Equipment to Lessor in accordance with Section 12.3, and shall execute any documents reasonably requested by Lessor to release its interest in the Equipment.

Section 4.4. Effect of Termination. Upon termination of this Lease as provided in Section 4.3, Lessee shall not be responsible for the payment of any Rental Payments coming due with respect to succeeding Fiscal Years, but if Lessee has not delivered possession of the Equipment to Lessor in accordance with Section 12.3 and released and conveyed its interest in the Equipment to Lessor within ten (10) days after the termination of this Lease, the termination shall nevertheless be effective, but Lessee shall be responsible for the payment of damages in an amount equal to (a) the amount of the Rental Payments coming due for the period during which Lessee fails to take such actions PLUS (b) any other loss suffered by Lessor as a result of Lessee's failure to take such actions.

Section 4.5. Nonsubstitution. If this Lease is terminated by Lessee in accordance with Section 4.3, Lessee agrees that for a period of one (1) year after termination, to the extent allowed by law, Lessee will not purchase or lease other property or contract with any third party to perform the same functions as, or functions taking the place of, those performed by the Equipment; provided, however, that this restriction shall not be applicable in the event the Equipment previously has been sold by Lessor and the amount received from such sale, less all costs of such sale, is sufficient to pay the Purchase Option Price applicable through the last Rental Payment.

Section 4.6. Termination of Lease Term. The Lease Term Lease will terminate upon the occurrence of the first of the following events:

- (a) the termination thereof by Lessee in accordance with Section 4.3;
- (b) the exercise by Lessee of its option to purchase the Equipment under Article X;
- (c) a Default by Lessee and Lessor's election to terminate this Lease pursuant to Article XII; or
- (d) the expiration of the Lease Term if Lessee has made all Rental Payments required Lessee hereunder as and when due and has otherwise performed its obligations hereunder.

ARTICLE V

RENTAL PAYMENTS

Section 5.1. Rental Payments. Lessee agrees to pay Rental Payments during the Lease Term in the amounts and on the Payment Dates. All Rental Payments shall be paid to Lessor on or before the Payment Date at Lessor's offices at the address specified in the first paragraph of this Lease or to such other person or entity and at such other places as Lessor may, from time to time, designate by written notice to Lessee. If any Rental Payment is not paid within forty-five (45) days of the due date thereof, to the extent allowed by law, Lessee shall also be liable to Lessor for a late payment charge equal to the greater of \$50.00 or four percent (4%) of the amount of the delinquency plus interest on the amount of the delinquency at the per annum rate of interest equal to the lesser of eleven percent (11%) or the maximum rate allowed by law.

Section 5.2. Principal and Interest Components. Each Base Rental Payment consists of a Principal Component and an Interest Component, all as more fully described in Exhibit B.

Section 5.3. Rental Payments to be Unconditional. Except as provided in Section 4.3, the obligation of Lessee to make payments of Base Rental and Additional Rental and any other payments required hereunder shall be absolute and unconditional. Notwithstanding any dispute between Lessee and Lessor or any other person, Lessee shall make all such payments required hereunder as and when due and shall not withhold any such payment pending final resolution of such dispute nor shall Lessee assert any right of set-off or counterclaim against its obligation to make such payments. Lessee's obligation to make any payment required hereunder shall not be abated through accident or unforeseen circumstances. However, nothing herein shall be construed to release Lessor from the performance of its obligations hereunder; and if Lessor should fail to perform any such obligation, Lessee may institute such legal action against Lessor as Lessee may deem necessary to compel the performance of such obligation or to recover damages therefor.

Section 5.4. Tax Exemption.

(a) Lessee acknowledges and agrees that the payments of Base Rental have been calculated by Lessor assuming that the Interest Component of each Base Rental payment is exempt from federal income taxation. Lessee will do and refrain from doing all things necessary and appropriate to insure that the Interest Component of all Base Rental payments is exempt from federal income taxation. In that regard, Lessee represents, covenants and warrants that:

(i) The Equipment will not be used, directly or indirectly, in a trade or business carried on by any person other than a governmental unit, except for such use as a member of the general public.

(ii) No portion of the Rental Payments: (1) will be secured, directly or indirectly, by property used or to be used in a trade or business carried on by a person other than a governmental unit, except for such use as a member of the general public, or by payments in respect of such property; or (ii) will be derived from payments, whether or not to Lessee, in respect of property or borrowed money used or to be used for a trade or business carried on by any person other than a governmental unit.

(iii) No portion of the cost of the Equipment will be used (directly or indirectly) to make or finance loans to persons other than governmental units.

(iv) The Lessee will execute and file all information statements required by Section 149(e) of the Code and timely pay amounts, if any, required to be rebated to the United States pursuant to Section 148(f) of the Code.

(b) Lessee and Lessor acknowledge that Lessee has designated this Lease as a “qualified tax exempt obligation” for purposes of Section 265(b)(3) of the Code.

(c) In the event any governmental taxing authority successfully imposes an income tax on the Interest Component or imposes an income tax on the interest component under any similar lease of Lessor which, in the opinion of Lessor’s counsel, will be determinative of the tax treatment under this Lease, then Lessee agrees to pay Additional Rental retroactively from the date of such imposition through the end of the Lease Term during which such tax is imposed in an amount adequate to compensate Lessor, on an after-tax basis, for the tax imposition.

Section 5.5. Additional Rental. In addition to the Base Rental set forth herein, the Lessee agrees to pay as Additional Rental, as and when due, all of the following:

(a) All taxes and assessments of any nature whatsoever, including but not limited to excise taxes, ad valorem taxes, ad valorem and special lien special assessments and gross receipts taxes, if any, levied upon the Project or upon any interest of the Lessor in this Lease;

(b) Insurance premiums, if any, on all insurance required under the provisions of Article VI of this Lease;

(c) All fees and expenses of the Lessor in connection with the transactions contemplated herein; and

(d) Any other fees, costs or expenses incurred by the Lessor in connection with the execution, performance or enforcement of this Lease or any assignment hereof or any of the transactions contemplated hereby or thereby or related to the Equipment and/or the Lease, including, without limitation, any amounts which may become due.

Amounts constituting Additional Rental payable hereunder shall be paid by the Lessee directly to the person or persons to whom such amounts shall be payable. The Lessee shall pay all such amounts when due or at such later time as such amounts may be paid without penalty and, upon request of the Lender, shall furnish to the Lender a certificate stating that any such amounts have been paid or that no such amounts were due.

To the extent allowed by law, Lessee shall cause Lessor to be named as an additional insured in such policy. The Net Proceeds of all such insurance shall be applied toward extinguishment or satisfaction of the liability with respect to which any Net Proceeds may be paid.

Such insurance may be provided by a rider to an existing policy or under a separate policy. Such insurance may be written with a deductible not in excess of \$1,000.00. The Net Proceeds of insurance required by this Section shall be applied to the purchase of the Equipment as provided in Section 6.7.

Section 6.3. Worker's Compensation Insurance. If required by State law, Lessee shall carry Worker's Compensation Insurance covering all employees on, in, near or about the Equipment, and, upon request, shall furnish Lessor with certificates evidencing such coverage throughout the Lease Term.

If all or any part of the Equipment is lost, stolen, destroyed or damaged beyond repair, Lessee shall, as soon as practicable after such event, either: (a) replace the same at Lessee's sale cost and expense with replacement equipment acceptable to Lessor, whereupon such replacement shall be substituted in this Lease by appropriate documentation; or (b) pay the applicable Purchase Option Price of the Equipment. Lessee shall notify Lessor of which course of action it will take within 15 days after the loss, destruction or damage. If Lessee elects clause (a) but fails to perform its obligation thereunder within thirty (30) days after the loss, destruction or damage, Lessor may, at its option, declare the applicable Purchase Option Price of the Equipment immediately due and payable, and Lessee shall be obligated to pay the same. The Net Proceeds of all insurance payable with respect to the Equipment shall be made available to Lessee to be used to discharge Lessee's obligation under this Section. On payment of the Purchase Option Price, this Lease shall terminate and Lessee thereupon shall become entitled to the Equipment AS IS, WITHOUT WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OR FITNESS FOR THE USE CONTEMPLATED BY LESSEE, except that the Equipment shall not be subject to any lien or encumbrance created or arising through Lessor.

Nothing in this Lease shall prevent Lessee from purchasing such accessories or components under a conditional sale or lease/purchase contract, or subject to a vendor's lien or security agreement, as security for the unpaid portion of the purchase price thereof, provided that no such lien or security interest shall attach to any part of the Equipment.

Section 8.5. Modification of Equipment.

ASSIGNMENT, SUBLEASING, MORTGAGING AND SELLING

Section 11.1. Assignment by Lessor. All of Lessor's right, title and/or interest in and to the Equipment, this Lease, the Rental Payments and other amounts due hereunder may be assigned and reassigned, in whole or in part, to one or more assignees or subassignee at any time, without the prior consent of Lessee. Such assignment shall not be effective with respect to Lessee unless and until Lessor shall have filed a copy or written notice thereof with Lessee.

Section 11.2. Assignment and Subleasing by Lessee. Neither this Lease nor Lessee's interest in the Equipment may be assigned transferred, mortgaged, or otherwise pledged by Lessee, in whole or in part, without the written consent of Lessor. However, the Equipment may be subleased by Lessee, in whole or in part, with the consent of Lessor and subject to compliance with each of the following conditions:

(a) This Lease and the obligation of Lessee to make Rental Payments hereunder shall remain obligations of Lessee.

(b) The sublessee shall assume the obligations of Lessee hereunder to the extent of the interest subleased in form and substance satisfactory to Lessor.

(c) Lessee shall, within thirty (30) days after the delivery thereof, furnish or cause to be furnished to Lessor a true and complete copy of such sublease.

(d) No sublease by Lessee shall cause the Equipment to be used for a purpose other than a governmental function authorized under the provisions of the Constitution and laws of the State.

(e) No sublease shall cause the Interest Component of the Rental Payments to become subject to federal income taxation.

ARTICLE XII

EVENTS OF DEFAULT AND REMEDIES

Section 12.1. Events of Default Defined. The following shall be "Events of Default" under this Lease and the terms "Events of Default" and "Default" shall mean, whenever used in this Lease with respect to the Equipment, anyone or more of the following events:

(a) Failure by Lessee to pay any Rental Payment or other payment Lease within five days of the time specified herein.

(b) Failure by Lessee to provide the insurance coverages required herein.

(c) Failure by Lessee to observe and perform any covenant, condition or agreement (other than as referred to in Clauses (a) or (b) of this Section) on its part to be observed or performed, for a period of thirty (30) days after written notice specifying such failure and requesting that it be remedied has been given to Lessee by Lessor, unless Lessor shall agree in writing to an extension of such time prior to its expiration; provided, however, if the failure stated in the notice cannot be corrected within the applicable period, Lessor will not unreasonably withhold its consent to an extension of such time if corrective action is instituted by Lessee within the applicable period and diligently pursued until the Default is corrected.

(d) The filing by Lessee of a voluntary petition in bankruptcy; the failure by Lessee promptly to lift any execution, garnishment or attachment of such consequence as would impair the ability of Lessee to carry on its governmental or proprietary function; the adjudication of Lessee as a bankrupt; the granting by Lessee of an assignment for the benefit of creditors; the entry by Lessee into an agreement of composition with creditors, or the approval by a court of competent jurisdiction of a petition applicable to Lessee in any proceedings instituted under the provisions of the United States Bankruptcy Code, as amended, or under any similar acts which may hereafter be enacted.

The provisions of this Section 12.1 and Section 12.2 are subject to the following limitation: if by reason of force majeure Lessee is unable, in whole or in part, to carry out its obligations under this Lease with respect to the Equipment, other than its obligation to pay Rental Payments with respect thereto which shall be paid when due notwithstanding the provisions of this paragraph, Lessee shall not be deemed in default during the continuance of such inability. The term "force majeure" as used herein shall mean, without limitation, the following: acts of God; strikes, lockouts or other labor disturbances; acts of public enemies; orders or restraints of any kind of the government of the United States of America or the State or their respective departments, agencies or officials, or any civil or military authority; insurrections; riots; landslides; earthquakes; fires; storms; droughts; floods; explosions; breakage or accident to machinery, transmission pipes or canals (excluding the Equipment); or any other cause or event not reasonably within the control of Lessee and not resulting from its negligence. Lessee agrees, however, to remedy with all reasonable dispatch the cause or causes preventing Lessee from carrying out its obligations under this Lease; provided that the settlement of strikes, lockouts and other labor disturbances shall be entirely within the discretion of Lessee and Lessee shall not be required to make settlement of strikes, lockouts and other labor disturbances by acceding to the demands of the opposing party or parties when such course is in the judgment of Lessee unfavorable to Lessee.

Section 12.2. Remedies on Default. Whenever any Event of Default referred to in Section 12.1 hereof shall have occurred and be continuing, Lessor shall have the right, at its option and without any further demand or notice, to take one or any combination of the following remedial steps:

(a) With or without terminating this Lease, declare all Rental Payments due or to become due to be immediately due and payable, whereupon such Rental Payments shall be immediately due and payable.

(b) With or without terminating this Lease, by written notice to the Lessee, request the Lessee to (and the Lessee agrees that it will), at the Lessee's expense, promptly return the Equipment to Lessor in the manner set forth in Section 12.3 hereof, or the Lessor, at its option, may (i) enter upon the premises where the Equipment is located and take immediate possession of and remove the same, (ii) require the Lessee to assemble the Equipment and make the Equipment available to the Lessor at a place to be designated by the Lessor which is reasonably convenient to both parties, and/or (iii) without removal, the Lessor may render the Equipment unuseable, and may sell or otherwise dispose of the Equipment on the Lessee's premises at a public or private sale with such sale to meet the requirements of a public or private sale with the application of the sale proceeds all as provided in Section 12.2(c). Lessee hereby expressly waives any damages occasioned by such repossession or other disposal of Equipment as provided in this paragraph (b). If the Equipment or any portion of it has been destroyed or damaged beyond repair, Lessee shall pay the applicable Purchase Option Price of the Equipment, as set forth in Exhibit C (less credit for Net Proceeds), to Lessor. Notwithstanding the fact that Lessor has taken possession of the Equipment, Lessee shall continue to be responsible for the Rental Payments as and when due. If the Lease has not been terminated, Lessor shall return the Equipment to Lessee at Lessee's expense when the Event of Default is cured.

(c) If Lessor terminates this Lease and takes possession of the Equipment, Lessor shall use its best efforts promptly to sell the Equipment, as a unit or in parts, in a commercially reasonable manner at public or private sale in accordance with applicable laws. Lessor shall apply the proceeds of such sale to pay the following items in the following order: (1) all costs incurred in securing possession of the Equipment; (2) all expenses incurred in completing the sale; (3) the balance of any Rental Payments owed by Lessee through the date of termination; and (4) the Purchase Option Price.

(d) If the proceeds of sale of the Equipment are not sufficient to pay all amounts specified in Section 12.2(c)(1)-(3), Lessee shall be liable for the deficiency, and Lessor may take any other remedy available at law or in equity to require Lessee to perform its obligations hereunder.

Notwithstanding any other provision of this Section 12.2, Lessor shall be entitled to damages with respect to the Lease in an amount equal to, but not in excess of, the economic equivalent intended to be provided by Lessee's payment of the Rental Payments and/or Purchase Option Price provided for herein, as and when due, plus any amount necessary to compensate Lessee for all costs, fees and expenses incurred as a result of Lessee's default.

Section 12.3. Return of Equipment. Upon the expiration or termination of this Lease prior to the payment of all Rental Payments or the Purchase Option Price, Lessee shall return the Equipment to Lessor in the condition, repair, appearance and working order required in section 7.2, in the following manner as may be specified by Lessor: (a) by delivering the Equipment, at Lessee's cost and expense, to such place within the State as Lessor shall specify; or (b) by shipping the same, freight prepaid, to a place within the United States specified by Lessor. If Lessee fails to return the Equipment in the manner designated, Lessor may repossess the Equipment and charge Lessee with the costs of such repossession or pursue any remedy described in Section 12.2.

Section 12.4. No Remedy Exclusive.

(a) No remedy conferred upon or reserved to Lessor by this Article is intended to be exclusive, and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Lease. Furthermore, the exercise of one remedy shall not impair the right of the Lessor or its assignee to any or all other remedies. If any statute or rule validly shall limit the remedies given to the Lessor or any assignee of the rights of the Lessor hereunder, the Lessor or its assignee nevertheless shall be entitled to whatever remedies are allowable under any statute or rule of law.

(b) No delay or omission to exercise any right or power accruing upon any Default shall impair any such right or power nor shall it be construed to be a waiver thereof but any such right and power may be exercised from time to time and as often as may be deemed expedient by Lessor or its assignee.

Section 12.6. Waiver. The waiver by the Lessor of any breach by the Lessee, and the waiver by the Lessee of any breach by the Lessor of any term, covenant or condition hereof shall not operate as a waiver of any subsequent breach of the same or any other term, covenant or condition hereof.

ARTICLE XIII

ADMINISTRATIVE PROVISIONS

All notices, certificates, legal opinions or other communications hereunder shall be given in writing and shall be sufficiently given and served when delivered or deposited in the United States mail, postage prepaid, to the addresses specified on the first page hereof or when given by hand to the offices named on this first page of this Lease, provided that Lessor and Lessee, by notice given hereunder, may designate in writing different addresses to which subsequent notices, certificates, legal opinions or other communications will be sent.

Section 13.2. Financial Information. During the Lease Term, within 180 days of Lessee's fiscal year end, Lessee will provide Lessor with current financial statements and such other financial information as may be requested by Lessor or its assignee.

Section 13.3. Binding Effect. This Lease shall inure to the benefit of and shall be binding upon Lessor and Lessee and their respective successors and assigns.

During the Lease Term, Lessee shall keep a complete and accurate record of all assignments and other transfers in form and substance necessary to comply with Section 149(a) of the Code. No further action will be required by Lessor or by Lessee to evidence the assignment. No such assignment shall become effective without recordation of the assignment in said "book entry system."

Section 13.5. Severability.

(a) In the event any provision of this Lease shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

(b) If for any reason this Lease is held by a court of competent jurisdiction void, voidable, or unenforceable by the Lessor or by the Lessee, or if for any reason it is held by such a court that any of the covenants and agreements of the Lessee hereunder, including the covenant to pay Rental Payments hereunder, is unenforceable for the full Lease Term, then and in such event for and in consideration of the right of the Lessee to possess, use and enjoy the Equipment, which right in such event is hereby granted, this Lease shall thereupon become and shall be deemed to be a lease from year to year under which the annual Rental Payment will be paid by the Lessee.

4. Lessee has obtained from a reputable insurance company or self funded group qualified to do business in the State insurance with respect to all risks required to be covered thereby pursuant to Article VI of the Lease.

5. Lessee is exempt from all personal property taxes and is exempt from sales and/or use taxes with respect to the Equipment and the Rental Payments.

OPINION OF COUNSEL

Trustmark Bank
1301 Washington Street
Vicksburg MS 39180

Tyler S McNeal, President

Re: Lease-Purchase Agreement dated as of **July 24, 2026** between Trustmark Bank (“Lessor”) and **City of Vicksburg** (“Lessee”)

Gentlemen:

I have acted as counsel to Lessee with respect to the Lease-Purchase Agreement described above (the “Lease”) and various related matters, and, in this capacity, have reviewed a duplicate original or certified copy of the Lease and the Exhibits attached thereto. Based upon the examination of these and such other documents as I deem relevant, it is my opinion that:

1. Lessee is a political subdivision of the State of Mississippi (the “State”), duly organized, existing and operating under the constitution and laws of the State.
2. Lessee is authorized and has power under applicable law to enter into the Lease and to carry out its obligations thereunder and the transactions contemplated thereby.
3. The Lease has been duly authorized, approved, executed and delivered by and on behalf of Lessee, and is a valid and binding contract of Lessee, enforceable in accordance with its terms, except to the extent limited by applicable state and federal laws affecting the enforcement of creditors rights and remedies generally.
4. The authorization, approval and execution of the Lease and all other proceedings of Lessee relating to the transactions contemplated thereby have been performed in accordance with all applicable open meeting, public bidding and all other laws, rules and regulations of the State.
5. The execution of the Lease and the appropriation of moneys to pay the Rental Payments coming due thereunder do not result in the violation of any constitutional, statutory or other limitation relating to the manner, form or amount of indebtedness which may be incurred by Lessee.
6. There is no litigation, action, suit or proceeding pending before any court, administrative agency, arbitrator or governmental body or, to the best of my knowledge, threatened, that challenges the authority of Lessee or its officials, officers or employees to enter

into the Lease; the proper authorization, approval and/or execution of the Lease, Exhibits thereto and other documents contemplated thereby; the appropriation of moneys to make Rental Payments under the Lease for the current fiscal year of Lessee; or the ability of Lessee otherwise to perform its obligations under the Lease and the transactions contemplated thereby.

7.a. The Lease constitutes an obligation of the Lessee which is a political subdivision of the State of Mississippi within the meaning and for the purposes of Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), and Treasury Regulations and rulings thereunder.

b. Subject to the condition set forth in the immediately succeeding sentence, (a) the interest portion of the Lease Payments due under the Lease is excluded from gross income for federal income tax purposes, and (b) the Lease is not a "specified private activity bond" and the interest portion of the Lease Payments due under the Lease is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, with respect to corporations (as defined for federal income tax purposes), such interest is taken into account in determining adjusted current earnings for the purpose of computing the alternative minimum tax imposed on such corporations. The opinions set forth in the immediately preceding sentence are subject to the condition that the Lessee comply with all requirements of the Code, compliance with which subsequent to the execution and delivery of the Lease is necessary in order that interest portion of the Lease Payments due thereunder be, or continue to be, excluded from gross income for federal income tax purposes. The Lessee has covenanted to comply with each such requirement in a Federal Tax Certificate of even date herewith. Failure to comply with certain of such requirements may cause the inclusion of the interest portion of the Lease Payments in gross income for federal income tax purposes to be retroactive to the date of issuance and delivery of the Lease. We express no opinion regarding other federal tax consequences arising with respect to the Lease.

8. The interest portion of the Lease Payments due under the Lease is exempt from State of Mississippi income taxation.

9. The Lease is qualified tax-exempt obligation as such term is used in Section 265(b)(3) of the Internal Revenue Code of 1986.

Dated: **July 24, 2026**

Very truly yours,

Keyona Henry, Attorney at Law

EXHIBIT F
LEASE AND OPTION TO PURCHASE DATED AS OF JULY 24, 2026
FEDERAL TAX CERTIFICATE

Pursuant to the U.S. Internal Revenue Code of 1986, as amended. ("Code") and regulations thereunder, I, the undersigned of **City of Vicksburg** (the "Lessee"), execute and deliver this certificate for the benefit of all persons interested in the exemption from federal income taxation of the interest to be paid on the Lease-Purchase Agreement (the "Lease") for the purchase of the equipment detailed in Exhibit A, attached hereto, between the Lessee and Trustmark Bank, as lessor ("Lessor") dated and the tax treatment thereof under the Code.

This certificate may be relied upon as the certificate of the Lessee and is executed for the purpose of establishing the facts and reasonable expectations of the Lessee regarding the Lease. It is based upon facts, circumstances, estimates and expectations of the Lessee on the later to occur of the date on which the Certificate of Acceptance was executed and delivered or funds were disbursed by the Lessor in payment for the Equipment described therein (the "Closing Date"), and, to the best of my knowledge and belief, the expectations of the Lessee set forth herein are reasonable. I certify as follows:

1. I am the duly chosen, qualified and acting **Mayor** of the Lessee and as such I am charged with the responsibility for executing the Lease. I am familiar with the facts herein certified, and I am duly authorized to execute and deliver this certificate on behalf of the Lessee.
2. The Lessee has not been notified by the Internal Revenue Service of any listing or proposed listing of its disqualification as an issuer whose certification of its reasonable expectations as to future events on the date of issue of the Lease may not be relied upon by holders of obligations of the Lessee because it made a previous certification which contained a material misrepresentation.
3. The Lease is being issued for the purpose of acquiring the Equipment described in the Lease for use by the Lessee, a governmental use within the meaning of the Code, and is therefore not a private activity bond as such term is defined in the Code. The use of the Equipment by any person other than a governmental unit (including any activity carried on by a person other than a natural person) shall not exceed ten percent (10%) of the total use thereof.
4. The total cost of the Equipment (including the expenses of issuing the Lease) to be financed pursuant to the Lease is **\$647,662.00**. The balance, if any, of the Equipment costs will be provided by the Lessee from its own funds. The amount which the Lessee expects to receive pursuant to the Lease does not exceed the amount required for the aforementioned purpose.
5. The Lessor will acquire the Equipment from a vendor and will thereupon lease the Equipment to the Lessee pursuant to the Lease. The acquisition of the Equipment will not require any construction.

6. The Lessee reasonably expects that on the Closing Date the funds needed to acquire the Equipment will be disbursed by the Lessor pursuant to the Lease, and the Lease will thereupon constitute the obligation of the Lessee to repay said funds. The total amount of advances by the Lessor shall not exceed **\$647,662.00**.

7. The Lessee does not expect the Equipment to be sold or otherwise disposed of, in whole or in part, or for any transaction or series of transactions to occur prior to the termination of the Lease which would enable the Lessee to allow the Lease to remain in force longer than would otherwise be necessary.

8. The Lessee reasonably expects that there will be no investment of money received by Lessee pursuant to the Lease and consequently no investment or reinvestment income therefrom.

9. The Lessee reasonably expects that no separate fund of the Lessee will be used to pay the Principal and Interest Components of the Rental Payments on the Lease.

10. The Lessee is a governmental unit or owned by a government unit with general taxing powers; no obligation of the Lessee pursuant to the Lease (the "Obligation") is a private activity bond (as defined in the Code); and ninety-five percent (95%) or more of the net proceeds of the Obligations are to be used for local governmental activities of the Lessee.

11. (a) The Lessee covenants and certifies to and for the benefit of the owners of the Obligations that it will neither take any action nor omit to take any action nor make any investment or use of the proceeds from the issue and sale of the Obligations, including amounts treated as proceeds, if any, which will cause the Obligations to be classified as arbitrage bonds within the meaning of Section 148 of the Code, as amended, supplemented or superseded, and any regulations as such may be applicable to the obligations, at the time of such action, investment or use.

(b) (i) The Lessee hereby determines and represents that no rebate relating to the Obligations will be required to be made under the Code. However, in the event it is subsequently determined for any reason that rebates should be made on the Obligations, then the Lessee shall take all actions necessary in order to comply with the requirements of Subsection 148(f) of the Code ("Subsection 148(f)") in order that none of the Obligations shall be treated as an arbitrage bonds pursuant to Subsection 148(f), including payment of all amounts, if any, required to be paid to the United States in accordance with and within the time limits prescribed in, the making of any and all calculations, computations and filings required pursuant to, and the maintenance of all such records as may be required pursuant to Subsection 148(f) and the Regulations, thereunder.

(ii) In the event it is determined that a rebate is required to the United States to avoid the Obligations being treated as arbitrage bonds under Subsection 148(f), then, in order to assure that there will be funds available to make any payments required pursuant to Subsection

148(f), the Lessee shall establish a separate and special account of the Lessee (to be designated the Rebate Account) into which the Lessee shall deposit: on or before the 30th day following each bond year (as hereinafter defined), (A) an amount equal to the excess of all earnings on all non-purpose investments (within the meaning of Subsection 148(f)) over the amount which would have been earned if such non-purpose investments had been invested at a rate equal to the yield (computed in accordance with Subsection 148(f) on the Obligations which amounts shall be credited to a fund designated the Excess Income Fund; and (B) all amounts earned on amounts in the Rebate Account, which amounts shall be credited to a fund designated as the Rebate Account Earning Fund. Amounts in the Rebate Account shall be used solely and only to make payments of rebates to the United States as required pursuant to Subsection 148(f), provided that, if at any time the amount in the Rebate Account exceeds the amount which, together with all amounts previously paid to the United States with respect to the Obligations pursuant to Subsection 148(f), will equal the amount which would be required to be rebated to the United States as a result of earnings on non-purpose investments received during the period beginning on the date of delivery of the Obligations and ending on the date of computation, the Lessee may, in its discretion, withdraw such excess from the Rebate Account and apply such monies to the rental payments due under the Lease or, if all payments due on the Obligations shall have been paid in full, and all rebates to the United States payable pursuant to Subsection 148(f) shall have been paid in full, the Lessee may use the amount withdrawn for any purpose permitted under the applicable laws of the State of Mississippi.

(iii) As used above, the term "Bond Year" shall mean the one-year period beginning on the date of delivery of the Obligations and each succeeding one-year period beginning on the day succeeding the immediately preceding Bond Year, or shall have such other meaning based on facts and circumstances relating to the Obligations as shall be specified in the Subsection 148(f) Regulations.

(c) The Lessee shall not intentionally use any portion of the proceeds (within the meaning of Subsection 148(a) of the Code and any regulations promulgated pursuant thereto) of the Obligations to acquire higher yielding investments (as defined in Subsection 148(a) of the Code and all regulations promulgated pursuant thereto) or to replace funds which were used directly or indirectly to acquire higher yielding investments, except to the extent specifically permitted pursuant to Section 148 of the Code and any regulations promulgated thereunder,

(d) The Lessee shall not purchase or acquire any investment property with proceeds (within the meaning of Section 148 of the Code) of the Obligations in a manner or for a price which would cause any of the obligations to be or become an arbitrage bond, within the meaning of Section 148 of the Code and the regulations promulgated thereunder, including, without limitation, to the extent prescribed by applicable regulations, investments (regardless of yield) which do not comply with the provisions of any regulations intended to assure that obligations are acquired at their "market price."

(e) In connection with the delivery of the Obligations, the Lessee has not and will not engage in any transaction or series of transactions that attempts to circumvent the provisions of section 148 of the Code and the Treasury Regulations issued thereunder or applicable thereto

(a) enabling the Lessee to exploit the difference between tax-exempt and taxable interest rates to gain a material financial advantage. and (b) increasing the burden on the market for exempt obligations, including, without limitation, the delivery of obligations in the nature of the Obligations that would not otherwise be sold, the incurring of more obligations in the nature of the Obligations than would otherwise be necessary, or the incurring of such obligations sooner, or allowing them to remain outstanding longer, than would otherwise be necessary.

12. (a) The Obligation(s) are not private activity bonds within the meaning of Section 141 of the Code.

(b) No more than 10% of the proceeds of the Obligation(s) will be used, directly or indirectly, in a trade or business (within the meaning of Section 141 of the Code and including any activity carried on by any person other than a natural person) carried on by any person other than a governmental unit (within the meaning of Section 141 of the Code and specifically excluding the United States of America or any agency or instrumentality thereof).

(c) No more than 10% of any property with respect to which all or any part of the proceeds of the Obligation(s) will be used, directly or indirectly, in a trade or business (within the meaning of Section 141 of the Code and including any activity carried on by any person other than a natural person), other than a governmental unit (within the meaning of Section 141 of the Code and specifically excluding the United States of America or any agency or instrumentality thereof).

(d) None of the proceeds of the Obligation(s) will be used for any private business use (within the meaning of Section 141 of the Code) which is not related to a governmental use (within the meaning of Section 141 of the Code) of such proceeds.

(e) The amount of proceeds of the Obligation(s) used with respect to any private business use which is related to a governmental use of such proceeds will not exceed the amount of proceeds of the Obligation(s) which are to be used for the governmental use to which such private business use relates.

(f) None of the proceeds of the Obligation(s) will be used to make or finance loans for persons other than governmental units.

(g) In no event will the payment of the principal of or the interest on more than 10% of the proceeds of the Obligation(s) be (under the terms of the Lease or any underlying arrangement) directly or indirectly secured (within the meaning of Section 141 of the Code) by any interest in property used or to be used in a private business use or payments in respect to such property or to be derived from payments (whether or not to the Lessee) in respect of property or borrowed money used or to be used for a private business use. No party (other than a governmental unit) which shall use all or any part of the property acquired pursuant to the Lease shall make any payments to the Lessee which are in any way related to any property acquired pursuant to the Lease or in any other way related thereto, if the aggregate of all such payments from all such private parties shall in any year equal or exceed 10% of the principal or interest

portion of the Rental Payments under the Lease payable during such year, unless the Lessee shall have received an opinion of nationally recognized bond counsel to the effect that receipt of such payments will not adversely affect the exclusion of interest on the Lease from gross income for federal income tax purposes.

13. The Lessee covenants and certifies that there are no other obligations heretofore issued or to be issued by or on behalf of any state, territory or possession of the United States, or political subdivision of any of the foregoing, or of the District of Columbia, by or for the benefit of the Lessee, which (1) were or are to be sold at substantially the same time as the Obligation(s), (2) was or is to be sold at substantially the same interest rate as the Interest Component of the Rental Payments, (3) was or is to be sold pursuant to a common plan of marketing as the marketing plan for the Obligation(s), and (4) is payable directly or indirectly by the Lessee or from the source from which the Obligation(s) is payable. The Lessee covenants and certifies that there are no additional facts or circumstances which may further evidence that the Obligation(s) is part of any other issue of obligations.

14. The Lessee covenants and certifies that no payment of principal of or interest on the Obligation(s) is or will be guaranteed (in whole or in part, directly or indirectly) by the United States, or any agency or instrumentality thereof or any entity with statutory authority to borrow from the United States. The Lessee represents, warrants and covenants that none of the proceeds of the Obligation(s) will be: (a) used to make loans, the payment of principal of or interest on which is or will be guaranteed (in whole or in part, directly or indirectly) by the United States or any agency or instrumentality thereof or any entity with statutory authority to borrow from the United States, or (b) invested (directly or indirectly) in any deposit or account which is insured under federal law by the Federal Deposit Insurance Corporation, the Federal Savings and Loan Insurance Corporation, the National Credit Union Administration or any similar federally chartered corporation, other than: (i) the investment of the proceeds of the Obligations for an initial temporary period (within the meaning of subparagraph 3(B) of Subsection 149(b) of the Code) until such proceeds are needed for the purpose for which the Obligations are being issued; (ii) investments of a bona fide debt service fund (within the meaning of Subparagraph 3(B) of Subsection 149(b) of the Code); (iii) investments of a reserve which meets the requirements of Subsection 148(d) of the Code; (iv) investments in notes issued by the United States Treasury; (v) or other investments permitted under regulations promulgated by the Internal Revenue Service pursuant to Subsection 149(b) of the Code.

15. The Lessee covenants and certifies that, notwithstanding any provision of this Certificate or the rights of the Lessee hereunder, the Lessee will not take or permit to be taken on its behalf any action which would impair the exemption of interest on the Obligation(s) from federal income taxation, and it will take such reasonable action as may be necessary to continue such exemption, including, without limitation, the preparation and filing of any statements required to be filed by it in order to maintain such exemption.

Instructions for Form 8038-G

Department of the Treasury
Internal Revenue Service

(Rev. October 2021)

Information Return for Tax-Exempt Governmental Bonds

Section references are to the Internal Revenue Code unless otherwise noted.

Future Developments

For the latest information about developments related to Form 8038-G and its instructions, such as legislation enacted after they were published, go to [IRS.gov/Form8038G](https://www.irs.gov/Form8038G).

General Instructions

Purpose of Form

Form 8038-G is used by issuers of tax-exempt governmental bonds to provide the IRS with the information required by section 149(e) and to monitor compliance with the requirements of sections 141 through 150.

Who Must File

IF the issue price (line 21, column (b)) is...	THEN, for tax-exempt governmental bonds issued after December 31, 1986, issuers must file...
\$100,000 or more	a separate Form 8038-G for each issue.
less than \$100,000	Form 8038-GC, Information Return for Small Tax-Exempt Governmental Bond Issues, Leases, and Installment Sales.

When To File

File Form 8038-G on or before the 15th day of the 2nd calendar month after the close of the calendar quarter in which the bond is issued. Form 8038-G may not be filed before the issue date and must be completed based on the facts as of the issue date.

Late filing. An issuer may be granted an extension of time to file Form 8038-G under section 3 of Rev. Proc. 2002-48, 2002-37 I.R.B. 531, if it is determined that the failure to file timely is not due to willful neglect. Type or print at the top of the form "Request for Relief under section 3 of Rev. Proc. 2002-48" and attach a letter explaining why Form 8038-G was not submitted to the IRS on time. Also indicate whether the bond issue in question is under examination by the IRS. Do not submit copies of the trust indenture or other bond documents. See *Where To File* next.

Where To File

File Form 8038-G and any attachments at the following address.

Department of the Treasury
Internal Revenue Service Center
Ogden, UT 84201

Private delivery services. You can use certain private delivery services (PDS) designated by the IRS to meet the "timely mailing as timely filing" rule for tax returns. Go to [IRS.gov/PDS](https://www.irs.gov/PDS) for the current list of designated services.

The PDS can tell you how to get written proof of the mailing date.

For the IRS mailing address to use if you're using PDS, go to [IRS.gov/PDS/streetAddresses](https://www.irs.gov/PDS/streetAddresses).

 **PDS can't deliver items to P.O. boxes. You must use the U.S. Postal Service to mail any item to an IRS P.O. box address.**

Other Forms That May Be Required

For rebating arbitrage (or paying a penalty in lieu of arbitrage rebate) to the federal government, use Form 8038-T, Arbitrage Rebate, Yield Reduction and Penalty in Lieu of Arbitrage Rebate.

For private activity bonds, use Form 8038, Information Return for Tax-Exempt Private Activity Bond Issues.

Rounding to Whole Dollars

You may show the money items on this return as whole-dollar amounts. To round, drop amounts under 50 cents and increase amounts from 50 to 99 cents to the next dollar (for example, \$1.39 becomes \$1 and \$2.50 becomes \$3).

If two or more amounts must be added to figure the amount to enter on a line, include cents when adding the amounts and round off only the total.

Definitions

Bond. This is any obligation, including bond, note, commercial paper, installment purchase agreement, or financing lease.

Taxable bond. This is any bond the interest on which is not excludable from gross income under section 103. Taxable bonds include tax credit bonds and direct pay bonds.

Tax-exempt bond. This is any obligation, including a bond, installment purchase

agreement, or financial lease, on which the interest is excluded from income under section 103.

Tax-exempt governmental bond. A tax-exempt bond that is not a private activity bond (see next) is a tax-exempt governmental bond. This includes a bond issued by a qualified volunteer fire department under section 150(e).

Private activity bond. This includes a bond issued as part of an issue in which:

- More than 10% of the proceeds are to be used for any private activity business use; **and**
- More than 10% of the payment of principal or interest of the issue is **either (a)** secured by an interest in property to be used for a private business use (or payments for such property), **or (b)** to be derived from payments for property (or borrowed money) used for a private business use.

It also includes a bond, the proceeds of which **(a)** are to be used directly or indirectly to make or finance loans (other than loans described in section 141(c)(2)) to persons other than governmental units, and **(b)** exceeds the lesser of 5% of the proceeds or \$5 million.

Issue price. The issue price of bonds is generally determined under Regulations section 1.148-1(f). Thus, when issued for cash, the issue price is the first price at which a substantial amount of the bonds are sold to the public. To determine the issue price of a bond issued for property, see sections 1273 and 1274 and the related regulations.

Issue. Generally, bonds are treated as part of the same issue if they are issued by the same issuer, on the same date, and in a single transaction, or a series of related transactions (see Regulations section 1.149(e)-1(e)(2)). However, bonds issued during the same calendar year **(a)** under a loan agreement under which amounts are to be advanced periodically (a "draw-down loan"), or **(b)** with a term not exceeding 270 days, may be treated as part of the same issue if the bonds are equally and ratably secured under a single indenture or loan agreement and are issued under a common financing arrangement (for example, under the same official statement periodically updated to reflect changing factual circumstances). Also, for bonds issued under a draw-down loan that meet the requirements of the preceding

sentence, bonds issued during different calendar years may be treated as part of the same issue if all of the amounts to be advanced under the draw-down loan are reasonably expected to be advanced within 3 years of the date of issue of the first bond. Likewise, bonds (other than private activity bonds) issued under a single agreement that is in the form of a lease or installment sale may be treated as part of the same issue if all of the property covered by that agreement is reasonably expected to be delivered within 3 years of the date of issue of the first bond.

Arbitrage rebate. Generally, interest on a state or local bond is not tax exempt unless the issuer of the bond rebates to the United States arbitrage profits earned from investing proceeds of the bond in higher yielding nonpurpose investments. See section 148(f).

Construction issue. This is an issue of tax-exempt bonds that meets **both** of the following conditions.

1. At least 75% of the available construction proceeds are to be used for construction expenditures with respect to property to be owned by a governmental unit or a section 501(c)(3) organization.
2. All the bonds that are part of the issue are qualified 501(c)(3) bonds, bonds that are not private activity bonds, or private activity bonds issued to finance property to be owned by a governmental unit or a section 501(c)(3) organization.

In lieu of rebating any arbitrage that may be owed to the United States, the issuer of a construction issue may make an irrevocable election to pay a penalty. The penalty is equal to 1½% of the amount of the available construction proceeds of the issue that do not meet certain spending requirements as of the close of each 6-month period after the date the bonds were issued. See section 148(f)(4)(C) and the Instructions for Form 8038-T.

Pooled financing issue. This is an issue of tax-exempt bonds, the proceeds of which are to be used to finance purpose investments representing conduit loans to two or more conduit borrowers, unless those conduit loans are to be used to finance a single capital project.

Specific Instructions

Part I—Reporting Authority

Amended return. An issuer may file an amended return to change or add to the information reported on a previously filed return for the same date of issue. If you

are filing to correct errors or change a previously filed return, check the *Amended Return* box in the heading of the form.

The amended return must provide all the information reported on the original return, in addition to the new or corrected information. Attach an explanation of the reason for the amended return and write across the top, "Amended Return Explanation." Failure to attach an explanation may result in a delay in processing the form.

Line 1. The issuer's name is the name of the entity issuing the bonds, not the name of the entity receiving the benefit of the financing. For a lease or installment sale, the issuer is the lessee or the purchaser.

Line 2. An issuer that does not have an employer identification number (EIN) should apply online by visiting the IRS website at [IRS.gov/EIN](https://www.irs.gov/EIN). The organization may also apply for an EIN by faxing or mailing Form SS-4 to the IRS.

Line 3a. If the issuer wishes to authorize a person other than an officer or other employee of the issuer (including a legal representative or paid preparer) to communicate with the IRS and whom the IRS may contact about this return (including in writing or by telephone), enter the name of such person here. The person listed on line 3a must be an individual. Do not enter the name and title of an officer or other employee of the issuer here (use line 10a for that purpose).

Note. By authorizing a person other than an authorized officer or other employee of the issuer to communicate with the IRS and whom the IRS may contact about this return, the issuer authorizes the IRS to communicate directly with the individual entered on line 3a and consents to disclose the issuer's return information to that individual, as necessary, to process this return.

Lines 4 and 6. If you listed an individual on line 3a to communicate with the IRS and whom the IRS may contact about this return, enter the number and street (or P.O. box if mail is not delivered to street address), city, town, or post office, state, and ZIP code of that person. Otherwise, enter the issuer's number and street (or P.O. box if mail is not delivered to street address), city, town, or post office, state, and ZIP code.

Note. The address entered on lines 4 and 6 is the address the IRS will use for all written communications regarding the processing of this return, including any notices.

Line 5. This line is for IRS use only. Do not make any entries in this box.

Line 7. The date of issue is generally the first date on which the issuer physically exchanges any bond included in the issue for the underwriter's (or other purchaser's) funds. For a lease or installment sale, enter the date interest starts to accrue in an MM/DD/YYYY format.

Line 8. If there is no name of the issue, please provide other identification of the issue.

Line 9. Enter the CUSIP (Committee on Uniform Securities Identification Procedures) number of the bond with the latest maturity. If the issue does not have a CUSIP number, write "None."

Line 10a. Enter the name and title of the officer or other employee of the issuer whom the IRS may call for more information. If the issuer wishes to designate a person other than an officer or other employee of the issuer (including a legal representative or paid preparer) whom the IRS may call for more information about the return, enter the name, title, and telephone number of such person on lines 3a and 3b.

Complete lines 10a and 10b even if you complete lines 3a and 3b.

Part II—Type of Issue

Elections referred to in Part II are made on the original bond documents, not on this form.

Identify the type of bonds issued by entering the issue price in the box corresponding to the type of bond (see *Issue price* under *Definitions*, earlier). Attach a schedule listing names and EINs of organizations that are to use proceeds of these bonds, if different from those of the issuer, include a brief summary of the use and indicate whether or not such user is a governmental or nongovernmental entity.

Line 18. Enter a description of the issue in the space provided.

Line 19. If the bonds are short-term tax anticipation notes or warrants (TANs) or short-term revenue anticipation notes or warrants (RANs), check box 19a. If the bonds are short-term bond anticipation notes (BANs), issued with the expectation that they will be refunded with the proceeds of long-term bonds at some future date, check box 19b. **Do not** check both boxes.

Line 20. Check this box if property other than cash is exchanged for the bond, for example, acquiring a police car, a fire truck, or telephone equipment through a series of monthly payments. (This type of bond is sometimes referred to as a "municipal lease.") Also check this box if real property is directly acquired in

exchange for a bond to make periodic payments of interest and principal. **Do not check this box if the proceeds of the bond are received in the form of cash, even if the term "lease" is used in the title of the issue.**

Part III—Description of Bonds

Line 21. For column (a), the final maturity date is the last date the issuer must redeem the entire issue.

For column (b), see *Issue price* under *Definitions*, earlier.

For column (c), the stated redemption price at maturity of the entire issue is the sum of the stated redemption prices at maturity of each bond issued as part of the issue. For a lease or installment sale, write "N/A" in column (c).

For column (d), the weighted average maturity is the sum of the products of the issue price of each maturity and the number of years to maturity (determined separately for each maturity and by taking into account mandatory redemptions), divided by the issue price of the entire issue (from line 21, column (b)). For a lease or installment sale, enter instead the total number of years the lease or installment sale will be outstanding.

For column (e), the yield, as defined in section 148(h), is the discount rate that, when used to figure the present value of all payments of principal and interest to be paid on the bond, produces an amount equal to the purchase price, including accrued interest. See Regulations section 1.148-4 for specific rules to figure the yield on an issue. If the issue is a variable rate issue, write "VR" as the yield of the issue. For other than variable rate issues, carry the yield out to four decimal places (for example, 5.3125%). If the issue is a lease or installment sale, enter the effective rate of interest being paid.

Part IV—Uses of Proceeds of Bond Issue

For a lease or installment sale, write "N/A" in the space to the right of the title for Part IV.

Line 22. Enter the amount of proceeds that will be used to pay interest on the issue accruing prior to the date of issue. For definition of date of issue, see these instructions, line 7.

Line 24. Enter the amount of the proceeds that will be used to pay bond issuance costs, including fees for trustees and bond counsel. If no bond proceeds will be used to pay bond issuance costs, enter zero. Do not leave this line blank.

Line 25. Enter the amount of the proceeds that will be used to pay fees for credit enhancement that are taken into account in determining the yield on the issue for purposes of section 148(h) (for

example, bond insurance premiums and certain fees for letters of credit).

Line 26. Enter the amount of proceeds that will be allocated to such a fund.

Line 27. Enter the amount of the proceeds that will be used to pay principal, interest, or call premium on any tax-exempt bonds, including proceeds that will be used to fund an escrow account for this purpose.

Line 28. Enter the amount of the proceeds that will be used to pay principal, interest, or call premium on any taxable bonds, including proceeds that will be used to fund an escrow account for this purpose.

Part V—Description of Refunded Bonds

Complete this part only if the bonds are to be used to refund a prior issue of tax-exempt bonds or taxable bonds. For a lease or installment sale, write "N/A" in the space to the right of the title for Part V.

Lines 31 and 32. The remaining weighted average maturity is determined without regard to the refunding. The weighted average maturity is determined in the same manner as on line 21, column (d).

Line 34. If more than a single issue of tax-exempt bonds or taxable bonds will be refunded, enter the date of issue for each refunded issue. Enter the date in an MM/DD/YYYY format.

Part VI—Miscellaneous

Line 35. An allocation of volume cap is required if the nonqualified amount for the issue is more than \$15 million but is not more than the amount that would cause the issue to be private activity bonds.

Line 36. If any portion of the gross proceeds of the issue is or will be invested in a guaranteed investment contract (GIC), as defined in Regulations section 1.148-1(b), enter the amount of the gross proceeds so invested, as well as the final maturity date of the GIC and the name of the provider of such contract.

Line 37. If the issue is a pooled financing issue (as defined under *Pooled financing issue* in *Definitions*, earlier), enter the amount of the proceeds used to make loans to other governmental units, the interest on which is tax exempt.

Line 38. If the issue is a loan of proceeds from a pooled financing issue (as defined under *Pooled financing issue* in *Definitions*, earlier), check the box and where asked for the date of issue, EIN, and name of the issuer of the master pool bond, enter the date of issue, EIN, and name of the issuer of the pooled financing issue.

Line 40. Check this box if the issue is a construction issue and an irrevocable election to pay a penalty in lieu of arbitrage rebate has been made on or before the date the bonds were issued. The penalty is payable with a Form 8038-T for each 6-month period after the date the bonds are issued. Do not make any payment of penalty in lieu of arbitrage rebate with this form. See Rev. Proc. 92-22, 1992-1 C.B. 736, for rules regarding the "election document."

Line 41a. Check this box if the issuer has identified a hedge on its books and records according to Regulations sections 1.148-4(h)(2)(viii) and 1.148-4(h)(5)(iv) that permit an issuer of tax-exempt bonds to identify a hedge for it to be included in yield calculations for figuring arbitrage.

Line 42. In determining if the issuer has super-integrated a hedge, apply the rules of Regulations section 1.148-4(h)(4). If the hedge is super-integrated, check the box.

Line 43. If the issuer takes a "deliberate action" after the issue date that causes the conditions of the private business tests or the private loan financing test to be met, then such issue is also an issue of private activity bonds. Regulations section 1.141-2(d)(3) defines a deliberate action as any action taken by the issuer that is within its control regardless of whether there is intent to violate such tests. Regulations section 1.141-12 explains the conditions to taking remedial action that prevent an action that causes an issue to meet the private business tests or private loan financing test from being treated as a deliberate action. Check the box if the issuer has established written procedures to ensure timely remedial action for all nonqualified bonds according to Regulations section 1.141-12 or other remedial actions authorized by the Commissioner under Regulations section 1.141-12(h).

Line 44. Check the box if the issuer has established written procedures to monitor compliance with the arbitrage, yield restriction, and rebate requirements of section 148.

ITEM INSTRUCTIONS

A and B. To assist filing offices that might wish to communicate with filer, filer may provide information in item A and item B. These items are optional.
C. Complete item C if filer desires an acknowledgment sent to them.

- Debtor's name. Carefully review applicable statutory guidance about providing the debtor's name. Enter only one Debtor name in item 1 -- either an organization's name (1a) or an individual's name (1b). If any part of the Individual Debtor's name will not fit in line 1b, check the box in item 1, leave all of item 1 blank, check the box in item 9 of the Financing Statement Addendum (Form UCC1Ad) and enter the Individual Debtor name in item 10 of the Financing Statement Addendum (Form UCC1Ad). Enter Debtor's correct name. Do not abbreviate words that are not already abbreviated in the Debtor's name. If a portion of the Debtor's name consists of only an initial or an abbreviation rather than a full word, enter only the abbreviation or the initial. If the collateral is held in a trust and the Debtor name is the name of the trust, enter trust name in the Organization's Name box in item 1a.

- 1a. Organization Debtor Name. "Organization Name" means the name of an entity that is not a natural person. A sole proprietorship is not an organization, even if the individual proprietor does business under a trade name. If Debtor is a registered organization (e.g., corporation, limited partnership, limited liability company), it is advisable to examine Debtor's current filed public organic records to determine Debtor's correct name. Trade name is insufficient. If a corporate ending (e.g., corporation, limited partnership, limited liability company) is part of the Debtor's name, it must be included. Do not use words that are not part of the Debtor's name.

- 1b. Individual Debtor Name. "Individual Name" means the name of a natural person; this includes the name of an individual doing business as a sole proprietorship, whether or not operating under a trade name. The term includes the name of a decedent where collateral is being administered by a personal representative of the decedent. The term does not include the name of an entity, even if it contains, as part of the entity's name, the name of an individual. Prefixes (e.g., Mr., Mrs., Ms.) and titles (e.g., M.D.) are generally not part of an individual name. Indications of lineage (e.g., Jr., Sr., III) generally are not part of the individual's name, but may be entered in the Suffix box. Enter individual Debtor's surname (family name) in Individual's Surname box, first personal name in First Personal Name box, and all additional names in Additional Name(s)/Initial(s) box. If a Debtor's name consists of only a single word, enter that word in Individual's Surname box and leave other boxes blank.

For both organization and individual Debtors. Do not use Debtor's trade name, DBA, AKA, FKA, division name, etc. in place of or combined with Debtor's correct name; filer may add such other names as additional Debtors if desired (but this is neither required nor recommended).

For both organization and individual Debtors. Name variations may be optionally provided as additional debtors. Do not combine multiple names in one section. Provide each name variation and address as described in the instructions for item 2 below.

- 1c. Enter a mailing address for the Debtor named in item 1a or 1b.
2. Additional Debtor's name. If an additional Debtor is included, complete item 2, determined and formatted per Instruction 1. For additional Debtors, attach either Addendum (Form UCC1Ad) or Additional Party (Form UCC1AP) and follow Instruction 1 for determining and formatting additional names.
3. Secured Party's name. Enter name and mailing address for Secured Party or full Assignee who will be the Secured Party of record. For additional Secured Parties, attach either Addendum (Form UCC1Ad) or Additional Party (Form UCC1AP). Optional: Attach Addendum (Form UCC1Ad) giving Assignor Secured Party's name and mailing address in item 11.
4. Collateral. Use item 4 to indicate the collateral covered by this financing statement. If space in item 4 is insufficient, continue the collateral description in item 12 of the Addendum (Form UCC1Ad) or attach additional page(s) and incorporate by reference in item 12 (e.g., See Exhibit A).

Note: If this financing statement covers timber to be cut, covers as-extracted collateral, and/or is filed as a fixture filing, attach Addendum (Form UCC1Ad) and complete the required information in items 13, 14, 15, and 16. Consult applicable state UCC law for filing location.

5. If collateral is held in a trust or being administered by a decedent's personal representative, check the appropriate box in item 5. If more than one Debtor has an interest in the described collateral and the check box does not apply to the interest of all Debtors, the filer should consider filing a separate Financing Statement (Form UCC1) for each Debtor.
- 6a. If this financing statement relates to a Public-Finance Transaction, Manufactured-Home Transaction, or a Debtor is a Transmitting Utility, check the appropriate box in item 6a. If a Debtor is a Transmitting Utility and the initial financing statement is filed in connection with a Public-Finance Transaction or Manufactured-Home Transaction, check only that a Debtor is a Transmitting Utility.
- 6b. If this is an Agricultural Lien (as defined in applicable state's enactment of the Uniform Commercial Code) or if this is not a UCC security interest filing (e.g., a tax lien, judgment lien, etc.), check the appropriate box in item 6b and attach any other items required under applicable law.
7. Alternative Designation. If filer desires (at filer's option) to use the designations lessee and lessor, consignee and consignor, seller and buyer (such as in the case of the sale of a payment intangible, promissory note, account or chattel paper), bailee and bailor, or licensee and licensor instead of Debtor and Secured Party, check the appropriate box in item 7.
8. Optional Filer Reference Data. This item is optional and is for filer's use only to provide reference information the filer may find useful.
