RE: Request for Police Presence & Traffic Assistance – Citywide Revival

Dear Chief Burns,

I hope this letter finds you well. On behalf of Global Hope of Glory, I am writing to respectfully request police presence and traffic management support for an upcoming Three-Day Citywide Revival. This event is designed to bring together local spiritual leaders, city officials, families, educators, and community members in a spirit of unity, peace, and hope.

We are requesting police support for the following dates and times:

- Event Location: Washington Street Park
- Dates: Sunday, September 13 | Sunday, September 20 | Sunday, September 27
- Time: 5:00 PM – 8:00 PM (each evening)

To ensure the safety of all attendees, manage anticipated crowds, and maintain smooth traffic flow around the park, we are requesting:

- A visible police presence during event hours.
- Assistance with temporary road blockages/traffic control on adjacent streets around Washington Street Park during the events.

Having the Vicksburg Police Department present will not only help guarantee a secure, family-friendly environment, but also highlights the safe, unified community we are all praying for and working toward.

Please let us know if any additional paperwork, permit applications, or details are required on our end. I am available at your convenience to discuss safety protocols and logistical details.

Thank you for your leadership, your dedication, and your continued commitment to keeping the citizens of Vicksburg safe.

Respectfully submitted,

Apostle LaTasha Jackson

Global Hope of Glory

Greetings City of Vicksburg Clerk & Officials,

On behalf of Global Hope of Glory and Kingdom Community Partners, I am writing to respectfully request a partnership with the City of Vicksburg and local spiritual leaders to host a Three-Day Citywide Revival.

Specifically, we are requesting permission to utilize Washington Street Park on three consecutive Sundays, September 13, September 20, and September 27 with each gathering beginning at 5:00 PM. To ensure the safety of all attendees and maintain smooth traffic flow, we also respectfully request temporary road blockages around the park area and a police presence during these event times.

The purpose of this revival is to bring spiritual leaders, churches, city officials, families, educators, and community members together in a spirit of unity, prayer, hope, and encouragement. During these gatherings, we will unite in prayer for:

- Unity throughout the City of Vicksburg
- Our mayor, city officials, first responders, and community leaders
- Our schools, administrators, teachers, staff, students, and families
- The safety, growth, healing, and overall well-being of our community
- Stronger relationships among local churches, spiritual leaders, and community organizations

We believe that when spiritual leaders and city officials align with a shared purpose, we can strengthen our city and inspire lasting hope among its citizens. Washington Street Park provides an ideal central location for people of all backgrounds to gather peacefully and pray for the continued progress and future of Vicksburg.

We respectfully request the City of Vicksburg's approval for the park venue, road closures, and police support. We welcome the opportunity to meet with you to discuss event logistics, necessary permits, security protocols, and additional ways we can collaborate.

Thank you for your time, consideration, and continued service to the citizens of Vicksburg. We look forward to partnering with you as we unite in prayer for our leaders, our schools, and our city.

Respectfully submitted,

Apostle LaTasha Jackson
