Mayor and Alderman

The “ 7th Annual Strike Out Child Abuse” fastpitch tournament in Vicksburg on June 28, 2025 is a 100% benefit tournament for the Child and Parent Center of Warren County, (CAP Center).

We are requesting the use of the four (4) Halls Ferry Park fields and concession stand and one (1) Betty Hearn softball field and concession stand for this day at no cost so that the CAP Center is able maximize the revenue they will receive from this tournament.

Thank you for your consideration in this matter.

Respectfully,

M C Foley
