RE: Restoration and Maintenance of Beulah Cemetery

Dear Mayor Thompson and Members of the Board

The Beulah Cemetery Restoration Committee continues its dedicated work to preserve and improve the historic Beulah Cemetery. Many of those laid to rest there no longer have living family members to care for their burial sites, making the support of volunteers essential to protecting this sacred ground.

As a nonprofit organization, we rely heavily on volunteers and community partners to continue this important work. We are currently preparing for upcoming restoration activities, including participation in United Way of West Central Mississippi Annual Day of Caring and community service observances such as Veterans Day. In support of these activities, we are seeking sponsorship to help provide essential resources for our volunteers.

We respectfully request your support through an in-kind or financial contribution in the amount of \$525.00. These funds will assist with essential needs such as equipment, supplies, and ongoing site maintenance. Your sponsorship will directly strengthen our effort to preserve this historic landmark and ensure that future generations can continue to honor the legacy of those laid to rest there.

Thank you for your continued commitment to honoring and preserving the legacy of those buried at Beulah Cemetery.

Sincerely,

Ernest Galloway, President
The Beulah Cemetery Restoration Committee
