Good morning Ariyana,

Pleasure visiting with you this morning! Please see attached/below for background/request to be added to Dec 10<sup>th</sup> Meeting:

1. We assist State of MS, and most of your neighboring cities/counties. I'd like to introduce myself to Board as their resource as well.
2. We do not charge our Gov't Clients a dime for our auction services. We make our revenue exclusively from Bidders at auction
3. We're publicly traded, and have specialized assisting Gov't agencies for over two decades. Well versed in keeping Vicksburg compliant and getting the highest returns in revenue for assets the city no longer needs/wants

Please let me know if any additional information is helpful. Otherwise, please confirm once we're approved to present at 10am on Dec 10th.

Advance thanks,  
Carey
