Contractor: Cooleys Contracting and Dirtworks, LLC
Date of Issuance: May 12, 2026

On March 30, 2026, PPM Consultants, Inc., as Engineer, issued a Notice to Proceed for the above-referenced Project, establishing March 30, 2026 as the Date of Commencement of the Work. As of the March 30, 2026 Notice to Proceed, EPA approval/concurrence of the Cleanup QAPP remained pending.

Due to EPA's lack of approval of the Cleanup QAPP as of the March 30, 2026 Notice to Proceed, the Notice to Proceed is hereby rescinded. The Contractor is not authorized to commence or continue the Work until a subsequent written Notice to Proceed or other written authorization is issued in accordance with the Contract Documents.

The Contractor shall take reasonable steps to mitigate costs during this period.
