City of Vicksburg
Vicksburg, Mississippi 39181-0150

Gentlemen:

Attached is requisition **2502203** to CDW Government, INC. in the amount of **\$52,950.92** for Scale Licensing for the I.T. Department. The licenses are considered a service, and this software is needed to keep the city's infrastructure including Munis (payroll, vendor payments, & building permits) and other vital components running that are crucial to our day-to-day operation. This is also a five (5) year service.

Funds have been allocated and are available.

I respectfully request that the Board of Mayor and Aldermen of the City of Vicksburg authorize this payment of service.

Thank you for your consideration on this matter.

Sincerely,

Tara Brown
Interim Purchasing Director

Why finance?

- Lower Upfront Costs. Get the products you need without impacting cash flow. Preserve your working capital and existing credit line.
- Flexible Payment Terms. 100% financing with no money down, payment deferrals and payment schedules that match your company's business cycles.
- Predictable, Low Monthly Payments. Pay over time. Lease payments are fixed and can be tailored to your budget levels or revenue streams.
- Technology Refresh. Keep current technology with minimal financial impact or risk. Add-on or upgrade during the lease term and choose to return or purchase the equipment at end of lease.
- Bundle Costs. You can combine hardware, software, and services into a single transaction and pay for your software licenses over time! We know your challenges and understand the need for flexibility.

General Terms and Conditions:

This quote is not legally binding and is for discussion purposes only. The rates are estimate only and are based on a collection of industry data from numerous sources. All rates and financial quotes are subject to final review, approval, and documentation by our leasing partners. Payments above exclude all applicable taxes. Financing is subject to credit approval and review of final equipment and services configuration. Fair Market Value leases are structured with the assumption that the equipment has a residual value at the end of the lease term.
