To the Mayor and Board of Aldermen of Vicksburg, MS

I, Martha Thomas and the Stop the Violence Committee of Vicksburg, are requesting assistance in help organizing and promoting the Annual Stop the Violence Rally.

Our Mission is to bring together our city and county leaders as well as citizens/community of Warren County to be more informed to solutions to curb the gun violence, sex trafficking, mental illness and abuse in our community. I am requesting in-kind services of twenty-five (25) chairs, podium for our speakers with the police and fire department on standby, if needed.

Thank you,
