Dear Warren County Board of Aldermen,

We, the Greater Mount Zion Baptist Church, are requesting permission to barricade off streets around 907 Farmer Street. We would like to block off Farmer Street starting at 907 Farmer Street to Openwood Street and on Main Street from behind the church Street to the stop sign at the apartment complex. The time needed for the blockage of the streets will be starting at 4 am and ending by 6pm.

On August 20, 2016, we are planning a fundraiser for our youth ministry to help raise money for our youth. We are in the process of organizing our first annual barbeque cook-off and would like this to be a safe as well as successful event.

If you would like more information on this event or would like to participate, please contact Jesse Trotter at (601)618-7707.

Thanks in advance,

Greater Mount Zion Baptist Church Youth Department
