To whom it may concern:

My name is Jessica J. Lloyd and I am soliciting your permission to organize a "Unity Prayer Walk" for the City of Vicksburg's city government officials, first responders, ministries, and community leaders. If permitted the walk would be on August 27, 2016 beginning at 9 am. The purpose of this "Unity Prayer Walk" is to charge our community to unify in peace and in love so that the will of God may be brought forth for the city of Vicksburg. 2 Chronicles 7:14 says if my people, who are called by my name will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sins and will heal their land. With all the hate, chaos, and darkness going on in the world, we must not get distracted or overcome with fear. We must stand for righteousness and keep lifting up Jesus Christ, because the word of God says perilous times would come but the gospel still must be preached. So we want to stand for Jesus and say what is happening in the rest of the world and in our nation does not have to happen here. We can do this if we all unify, pray, and love. Walls of division in religion, government, communities, and races have to come down. People from different walks of life and different races have contacted me and are willing to come together to pray for the sake of our community.

The route will start at the corner of Jackson and Washington Streets. We will walk along Washington Street, turn left onto Crawford Street, then turn right onto Walnut Street. The end of our walk will be 1401 Walnut Street in front of City Hall. Once we arrive in front of City Hall, everyone will be asked to hold hands on one accord and we will be led in prayer by five to seven individuals praying and decreeing the word of God over this city and its leaders. If permitted, there will be a shofar being blown during the walk and prayer, a flyer given out for Vicksburg native Betty Love's speaking engagement on September 18, 2016 at Jubilee Revival Center here in Vicksburg, and water or juice and a snack given out afterwards. The water juice and snack would be pending on donations received.

There are people in this city that are ready to come together to move this community forward in a positive way. We are soliciting the support and participation of the Circuit Clerk's office, Aldermen, Supervisors, the Mayor, Vicksburg Police and Fire departments, and the Warren County Sherriff Department.

Sincerely,

Jessica J. Lloyd
