Dear Warren County Board of Alderman,

We the members of South Side Rydaz, MC are requesting permission to barricade of streets around 1318 South Street. We would like to block off South Street from First North to Farmer Street. The time needed for the blockage of the street will be starting at 12:00pm and ending by 4:00pm.

March 11, 2017, we are planning a Community Outreach to show positive interaction with authority and community relations. We are in the process of organizing our 1st Annual Community Outreach and would like this to be a safe as well as successful event.

If you would like more information on this event or would like to participate, please contact Courtney S. Huell at (601)-218-5274.

Thanks in advance,

South Side Rydaz, MC Event Coordinator, Courtney S. Huell
