Dear Board Members,

This letter is to officially request the Warren County Board of Supervisor's authorization to surplus, and transfer, one (1) 6X10 foot enclosed utility trailer (Asset # WC 05694) from Warren County EMA inventory to the Vicksburg Police Department.

This trailer was originally used for Grand Gulf Nuclear Station operations, but has been replaced with a newer larger trailer and is no longer needed by this agency. The use of this trailer by the Vicksburg Police Department would benefit Warren County and enhance mutual aid operations concerning Grand Gulf or any other incident requiring the transportation of emergency equipment to locations in Warren County.

Thank you for your consideration of this request, and if anyone has questions please do not hesitate to contact me.

Respectfully,

Dear Board Members,

This letter is to request the transfer of one (1) 6X10 foot enclosed utility trailer (Asset # WC 05694) from Warren County EMA inventory to the Vicksburg Police Department.

I have spoken with Warren County EMA Director John Elfer and I understand that Warren County has replaced this trailer with a larger one and no longer needs its use.

The use of this trailer by the Vicksburg Police Department would benefit both our agency and Warren County. It would also enhance mutual aid operations concerning Grand Gulf Nuclear Station or any other incident requiring the transportation of emergency equipment to locations in Warren County and the City of Vicksburg, or any other location where mutual aid has been requested.

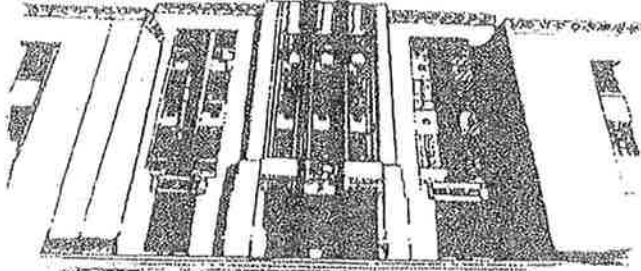

Thank you for your consideration of this request, and if anyone has questions please do not hesitate to contact me.
