Project Name and Location: King's Community Park

In accordance with the original Professional Services Agreement dated 24 June 2016 and Change Orders thereto, the Agreement changes as detailed below are hereby authorized.

The work included in this change order consists of professional engineering design, contract administration, bidding and construction services to provide plans, specifications, bid services and construction administration for playground equipment to be installed under a separate construction contract at the Kings Community Park located in Vicksburg, MS.

The City originally had this playground included in our preliminary design and estimates for the Kings Park, and had since requested removal of the item from the construction contract portion of the project.

It has now been requested by the City to add this playground item back into the project and advertise it as a separate construction project, for which this amendment addresses.
