Dear Mr. Osborne:

The Board of Directors and staff of Central MS Prevention Services appreciate very much the financial allocation by the City of Vicksburg to our agency. The purpose of this letter is to request those funds in the amount of \$10,000.00 that are currently designated for our agency. Please see the enclosed letter from United Way detailing the new 2017 allocation from them and the matching funds needed for this transaction.

Thanks you for your assistance in this matter as always.

Sincerely,

**Joseph Johnson, Director
