Board of Mayor and Aldermen

The Vicksburg-Warren County Board of REALTORS was established as a non-profit corporation on January 13th, 1977. Our territory in Mississippi covers Vicksburg, Port Gibson, Bovina, Redwood, Flowers, Eagle Lake and Valley Park. In Louisiana our territory is Delta, Tallulah, Richmond, Lake Bruin, and St. Joseph. We are a REALTOR member organization. We have standards and ethics that are agreed upon per membership.

The multiple listing service (MLS) is owned and operated by the Board of REALTORS. The MLS contains a database of the homes for sale. The database is used by the state licensed real estate members to find properties for sale for their buyer clients. It also is an offer of cooperation between the licensed real estate brokers to better serve the seller clients. We also offer a non-profit real estate magazine for our agents to advertise their properties in.

We host Quarterly Membership Luncheons for our Members, and their guests. One such event is our Christmas Event. We celebrate the holidays, and make it special for each member.

We would like to request a sponsorship from the city of Vicksburg in the amount of \$500 for this year's event; to be hosted on December 5, 2017 at the City Auditorium from 6:30 til 9pm. The city of Vicksburg Logo will be advertised as a sponsor of the event on any booklets, banners, programs, material, etc....associated with the event.

You may send your sponsor check to the contact person, and address below.

And we thank you for your service to our city.
