OCT 23 2017
Same as last year

October 23, 2017

For the 13th year, V105.5 FM is conducting our annual Christmas Caroling Contest. Once again we will be awarding at least \$10,000 to area schools, churches and individuals. We hope that the City of Vicksburg would like to participate in this popular event once again this year by serving as a sponsor.

In the past the city has purchased our Bronze level package. This package runs December, January and February at a cost of \$350.00 per month for a total cost of \$1050.00. The city would receive 30 regular (30 second) commercials per month as well as Christmas greetings in our playback show plus lots of mentions in various promotional spots. This is an excellent opportunity for the City of Vicksburg to show its support for our area schools, churches and individual citizens as well as promoting the city itself.

Respectfully,
Mark Jones
Owner/General Manager
