SIRS:

We respectfully request that you authorize the payment of \$10,000.00 to the Vicksburg Theatre Guild. A check may be sent to our PO Box 821472 address or you may call and I can personally pick up the check, whichever is more convenient for you.

These monies are part of the project we have undertaken to restore and refurbish our facility by adding lighting equipment and stage rigging, and resurfacing of our parking facilities. In the past year with funding from your office and the support of private individuals we have expanded our rest room facilities and storage space (\$44,000) and rehabilitated the exterior of our theater (\$73,000).

Thank you for your support for our theater as we attempt to better serve the community.

Sincerely,

601-529-9200

Paul Ballard
