Dear Honorable Mayor Flaggs and Aldermen,

I am very excited about the **DBU Elite 7v7 Training** to be held in New Orleans, Atlanta, and Houston Feb-April 2018. These teams, which consist of young men in our community, will represent the City of Vicksburg and state of Mississippi in New Orleans, Louisiana.

The DBU Elite 7v7 Program is an organized recreational activity that can enhance a player's fundamental and mental skill set for the sport of football. We view 7v7 as a tool for skill position players to improve during the off season in a fun, highly competitive and structured environment- all in preparation for their next regular football season.

We plan to raise funds for DBU Team Members by conducting fundraisers and receiving donations from community leaders like you! We are a 501(c)3 operating agency. If you have any questions about our program or sponsorships, please feel free to contact our Fundraiser Coordinator/Head Coach, Christopher Lacey at 601-831-0956.

I am asking the Mayor and Alderman Office to please consider sponsorship \$1000, so that all the young boys/men can benefit from this DBU experience. This donation would be greatly appreciated as we know some of the youth cannot afford the traveling expenses.

As a receipt of sponsorship and/or donation, City of Vicksburg seal will be advertised on the banners/booklets.

Please make contributions via check or money order out to **DBU (Do Better University), 308 Azalea Lane Vicksburg, MS 39180**

TCPS Tax ID# 81-1483970

Thanks in Advance,

Christopher Lacey
