Dear Mayor Flaggs and Board of Aldermens:

Vicksburg Family Development Service is proud to announce the 6th Annual Justin Henry Charity Baseball Camp being held on March 3 for the youth of our community, grades K-7 and a minicamp for four and five year olds. As you know, Justin grew up in Vicksburg, played college ball for Ole Miss, and played professional baseball for eight years in the Detroit Tigers and Boston Red Sox organizations, coached one year for the Boston Red Sox, and currently is a scout for the Detroit Tigers organization. Family Development is honored to be the recipient of the proceeds of this camp which benefits our community in a multitude of ways. The event is a wonderful opportunity for our children, whether they are passionate about baseball or just beginning to explore the sport, to receive instruction from top quality, experienced camp staff. Campers receive a message promoting a strong work ethic and the importance of remaining alcohol and drug free. Proceeds from the event continue to benefit children in our community throughout the year through the services of Vicksburg Family Development, a nonprofit organization which seeks to strengthen families by providing critical services through our Early Intervention Component serving families and their children prenatal to age 5 and the Youth Enrichment component serving children ages 10-17.

We are asking that you once again partner with us to help this event be an even bigger success than in previous years. We are seeking sponsorships which will help defray the costs of putting on the event, provide scholarships for those children in our community who would not be able to pay the camp registration fee of \$50, and boost the success of this fundraising event. Your organization will be listed as a sponsor on Family Development's Facebook page, any publicity promotions, and on the day of the event. The levels of sponsorship are bronze \$100, silver \$250, and gold \$500. We greatly appreciate your time in considering this request and thank you for any help you can provide!

Sincerely,

Kay Lee, LCSW
