Dear Mayor Flaggs and Board of Aldermen:

Your past support of The Salvation Army and those whom we serve is much appreciated, and we pray for your continued support as we continue to provide hope to those in our community who are in need. In my Dad's office hung a sign that read, "Miracles happen around here occasionally. Good things happen every day." We need the financial support of our community to keep on experiencing changed lives, so we are inviting you to be a sponsor of the "good things" with a contribution of \$1,800.00. As a sponsor, the City of Vicksburg would receive recognition on t-shirts given out to participants of our group activities.

Activities available for children within the Vicksburg area include our annual soccer camp, which will be held May 29 through June 1, 2018 at the Fuzzy Johnson Baseball field. This camp provides an opportunity for children to attend who may not normally be able to attend a summer camp. Also, your support will help children attend The Salvation Army's Camp Hidden Lake residential camp near Lexington, Mississippi this Summer. In the Fall, your contribution will help to provide book bags with supplies to students in the greater Vicksburg community. During the school year, youth are given the opportunity to develop socially, spiritually, academically, and artistically through our character-building programs.

We look forward to your support as a sponsor once more. Be assured of our pledge of "doing the most good" with your contributions of time, money and resources.

Thanks, again, for your past support and your anticipated continued support.

Sincerely,

Steve Welch, Major
CORPS OFFICER
