Greetings:

To the Honorable Mayor George Flaggs, and the Board of Alderman,

My name is Levi E. Wyatt I'm currently a freshman honor student at Vicksburg High School. Attending Vicksburg High School has been a great experience for me thus far I am very active in school activities. I am a member of Leader in Me which is a club at school; I also play various sports which include baseball, football, and basketball. Also to occupy my time I currently play with a traveling AAU basketball team which is called the Warren County Bulls. During the season we will be traveling to New Orleans, Miami, and Atlanta amongst other places. I am asking the City of Vicksburg to help me to get to the next level by a sponsorship of a \$250.00. The check can be made out to Anthony Lumpkin the coach of the Warren County Bulls. Through the sponsorship the City of Vicksburg logo will appear on jersey uniform, this is exciting for me because other teams will have the chance to see what great city that I represent. Also I cannot express enough my gratitude for the sponsorship in the past with helping me get closer to my dreams. Attached is a season schedule.

Sincerely,

Levi E. Wyatt Jr.
