**To:** Brian Boykins  
**Subject:** Relay for Life

Relay for Life Event is next weekend

We are requesting an ad for your support for the back cover of the special tabloid section that we will produce for the paper on 4-12-18

Usually we try to take these to the event also for distribution.

The section will have lots of survivor stories and additional information on the event.

I will include the color for the cost of \$500. for this location in the section.

Thanks so much.
