Subject: Rewrite-let me know if anything else is needed! Thanks ☐

To whom it may concern:

We graciously come to our city and Mayor Flaggs again this year for our boys and the extraordinary bounds and hurdles that they made last year given all that they went through and with the help your office provided made their dream of being in state championship and being state championship runner up come true. This year we are asking for our city to sponsor our team with the purchase of our uniforms, which includes the city seal on the uniform itself. Our tournament play is almost every weekend, beginning first game 3/17/18 until August 2018 with tournaments Throughout the Brandon, Flowood, Madison, Canton, and Pearl areas. With National play tournaments in Texas, Panama City, and Gulfport. Along with our birth to a Little League World Series. We are fundraising and are fighting to take our birth to nationals and the World Series. These young men have dedicated more time and effort to make their dreams become a reality. We have 12 amazing players, three Elite players and the opportunity to show that a child with ADHD or a child with Asperger's syndrome should not be dismissed simply because they do not learn the same way as other children. We humbly ask at this time for The city of Vicksburg's sponsorship in the amount of uniform cost of 1369.60. This will help us start our campaign to the World Series! We thank you for your time and support!

Thank you,
Head coach Jessica Massey and players!

Please make check payable to head coach Jessica Massey-MS Shockwavez
103 Woodhaven Road
Vicksburg, Ms 39180

Our team also has a special something to give to the Mayor in the weeks to come!

Thank you,
Jess Massey, LPN
