AIP PROJECT NO. 3-28-0073-008-2015
REQUEST FOR GRANT AMENDMENT

Dear Graham:

The City of Vicksburg respectfully requests an amendment to the referenced grant in the amount of \$20,448 (Federal Share) for additional costs associated with the referenced project. These costs are primarily the result of the removal of additional obstructions that were located outside the 10 degree Obstacle Clearance Surface (OCS) and associated engineering and flight inspection costs.

We have reviewed these costs and feel they are directly related to the project scope. We have submitted project closeout documents under separate cover. Thank you for your consideration of this request.

Sincerely Yours,

George, Flaggs, Jr., Mayor
City of Vicksburg
