Re: Jackson State University Annual Sports Banquet and Awards Ceremony

Dear Mayor Flaggs:

Jackson State University's Department of Athletics will host its Annual Sports Banquet and Awards Ceremony on Wednesday, April 11, 2018, to honor student athletes for their achievements.

As a valuable member of our community, we would like to invite the city of Vicksburg to be a part of our event. Simple events like this can provide just the encouragement a student needs to continue to achieve academic and athletic success. Please help us honor our student athletes by becoming a sponsor for this year's banquet. We respectfully request a sponsorship in the amount of **\$3000.00**.

Your support will demonstrate the importance of academic and athletic achievements. As a sponsor, the city of Vicksburg will be highlighted in all banquet materials.

Thank you for your consideration. If you have questions, please feel free to contact at 601-979-1997 or genese.a.lavalais@jsums.edu.

Sincerely,

Genese A. Lavalais
