RE: Request for Advertising on water bottles for the 9th Annual
Bricks & Spokes

On behalf of the Vicksburg Main Street Program, I am requesting for advertisement from the City of Vicksburg for the 9th Annual Bricks & Spokes bike ride. Advertising from the City of Vicksburg will not exceed \$1,000. This advertising will be allocated toward polar insulated water bottles that are given to participants of the 9th Annual Bricks & Spokes bike ride.

Thank you for your consideration.
