Dear Mayor Flaggs:

Please join us as our guest and/or corporate sponsor as we continue to support our students by participating in our 6th **Annual AABE Scholarship Golf Outing**. The Golf Outing will be held on Wednesday, September 19, 2018 at 7:30 a.m., Lake Caroline Golf Club, 118 Caroline Circle, Madison, MS 39110. **Early registration concludes on August 17, 2018**, your timely consideration is appreciated.

The Mississippi Chapter of AABE established a scholarship program to provide financial assistance to local and state high school students. Many of the funds are made available through the efforts and generous support of AABE members both past and present awarding more than \$125,000 in scholarships to outstanding minority high school students. The students must pursue a degree at an accredited institution in such disciplines as the science, mathematics, and engineering.

AABE is a national non-profit 501c (3) organization established to represent, initiate, and champion new ideas in energy-related matters. The W-9 is available upon request. AABE also represents minorities in matters involving energy use and research, the formulation of energy policy, the ownership of energy resources, and the development of energy technologies in the United States.

Sincerely,

Louis Wright
