

WARREN COUNTY-CITY OF VICKSBURG COMPREHENSIVE EMERGENCY MANAGEMENT PLAN

WARREN COUNTY/CITY OF VICKSBURG COMPREHENSIVE EMERGENCY MANAGEMENT PLAN

Promulgation Statement

County government shares a responsibility with State and municipal governments to be prepared in the event of a natural, technological, or man-made emergency or disaster that threatens life, property, or the environment. The Mississippi Emergency Management Law, MS Code Ann. § 33-15(1972) confers emergency powers on the Governor, the Mississippi Emergency Management Agency, executive heads of governing bodies of municipalities, and counties of the state to meet this responsibility.

In order to provide for an effective response to emergency situations, the federal, state, local and tribal governments must plan and prepare together. The concept and assignment of responsibilities outlined in this plan shall serve as the basis for the conduct of emergency operations by the Warren County. It shall be the responsibility of all county agencies and organizations herein referenced to perform their assigned functional tasks and to prepare and maintain standard operating procedures and/or guidelines. All responsible parties shall provide notice of revisions and improvements to this Comprehensive Emergency Management Plan and support it through training and exercises.

This plan is in accordance with existing state and federal statutes, in coordination with the National Response Framework and is National Incident Management System compliant. It will be revised and updated at least biennially, or more frequently as warranted. This plan is written and will be updated in compliance with the Federal Emergency Management Agency's *Developing and Maintaining Emergency Operations Plan, Comprehensive Preparedness Guide 101*, Version 2.0, November 2010.

Therefore, by virtue of the authority vested in me as President of the Board of Supervisors of Warren County, I hereby promulgate the Warren County/City of Vicksburg Comprehensive Emergency Management Plan. Furthermore, I charge the Director of the Warren County Emergency Management Agency (EMA) with responsibility for the implementation of this plan under emergency conditions and its ongoing development, as experience and changing conditions require.
