## **2018-2019 Fundraiser**

Dear Potential Sponsor,

It is time for Bowmar Elementary's annual Raffle Fundraiser. Each year we continue to be blown away by the love our community and Bowmar families exhibit to our school through the support of our raffle. With funds raised this past year, the PTO was able to purchase curriculum for our teachers and students for the second year in a row, as well as upgrade the sound system in our auditorium. Due to lack of Title 1 funding, the school has been unable to purchase full curriculum for several years in a row. We could not be more thrilled to provide this overdue need and plan to use funds from this year's raffle to continue this necessary provision.

In years past, we have been able to purchase new technology for our classrooms, provide technology maintenance, provide gift cards for our teachers for classroom items, aid in the upkeep of the building, fund Leader in Me materials and licensing, fund the Positive Behavioral Interventions and Supports, and the list continues. Many of these items are yearly needs, and we strive to meet as many of these needs as possible on a yearly basis. The support and funds of our PTO are critical to the success of our school. We hope to have another successful fundraising year and cannot wait to invest these needed funds back into our classrooms! Each dollar we raise is a direct investment into the future of our students.
